## Ayeman Fatima

3<sup>rd</sup> year student pursuing Bachelors in ECE from MJCET, Hyderabad

### PROFILE

I am a dedicated, hardworking person with tenacity and will to face challenges head on. I am a confident personality with good speaking skills and proficiency in English. I am responsible in attitude and willing to adapt in face of adversities. I love to read novels, write computer code, learn about emergent trends in AI and machine learning and keep up with the latest technology. Being a defense brat, I have travelled India and am cognizant of cultural variances and can adapt comfortably to them. I am looking for a career that lets me grow professionally and become a positive influence on society and country.
